Character profile

# Momose Yuri

Hinano's female classmate

- Calm and composed, she doesn't say a lot
- Unlike Hinano she looks mature
- Looks after Hinano at high school
- Has a tomboyish appearance, so she is often mistaken for a boy (probably due to her wearing a jersey)
- Because she's a member of a sports club, she is popular with the girls at school (This bothers her, since she doesn't care for that sort of stuff)
- She doesn t think girlish clothing suits her, so she avoids it whenever possible
